Senior Class Officers

When everyone finally got together for a picture it turned out like the one AT THE RIGHT. However after one more try it came out right. Officers were: Debbie Davis; Treasurer; Marsha Gregory, Secretary; Connie Clerf, ASB Representative; Clif Jones, Vice-President; Karl Fitterer, President.

GRADUATION TIME

This year's end of the year activities will be remembered by most for years to come. The junior and senior skips which resulted in Supremacy Contest that never was, the strangely decorated water tower, with an ever-changing decor (is it '75, '76, '77, or '78?), a relatively smooth and non-traumatic Baccalaureate and graduation practice, a senior barbeque, the traditional weekend "unofficial" senior party, all capped by a super graduation and party.

This year's commencement was highlighted by three outstanding senior speeches. Kirk Marsh, Theresa Smith and Jeff Condit delivered addresses which kept the audience spell-bound and laughing. They set the tone for an evening unlike the normal, often dull, and mundane graduations of the past.

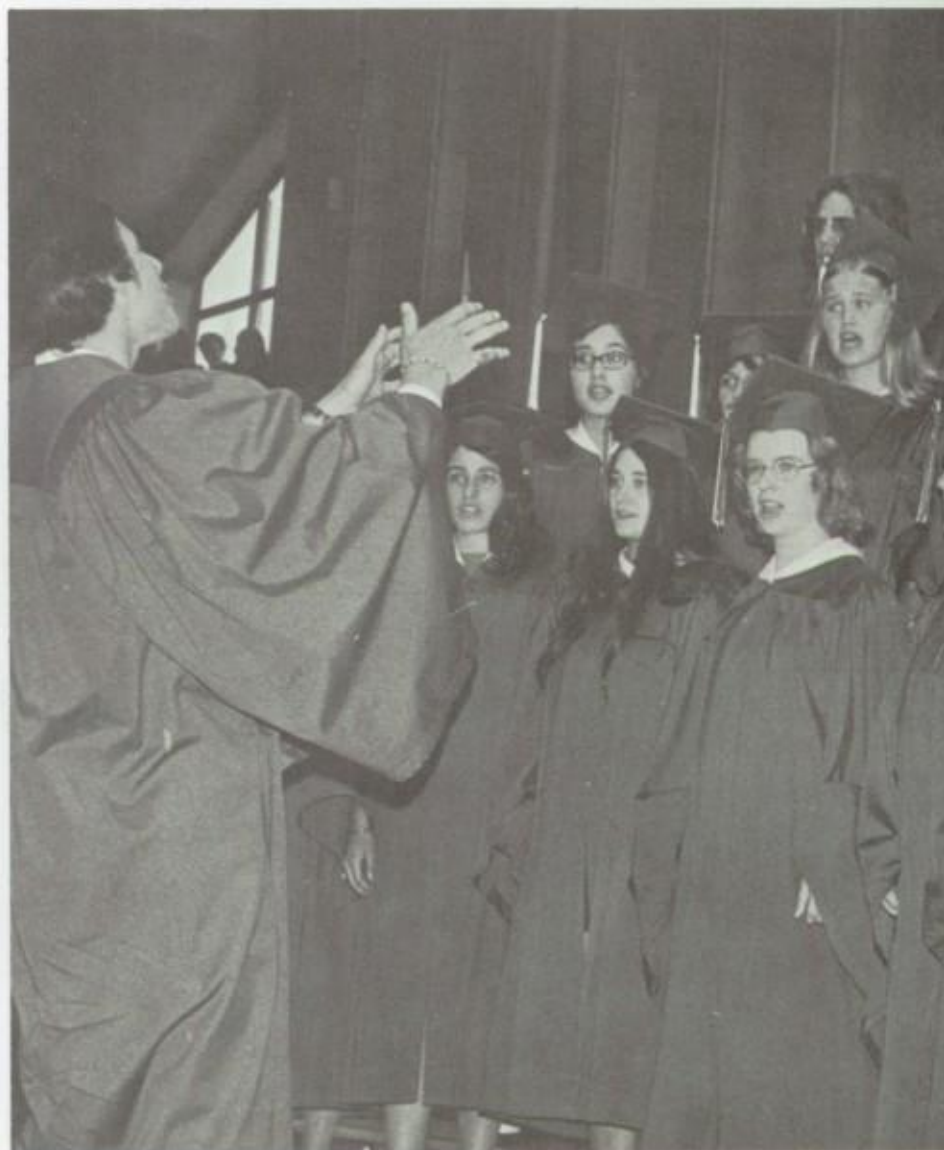

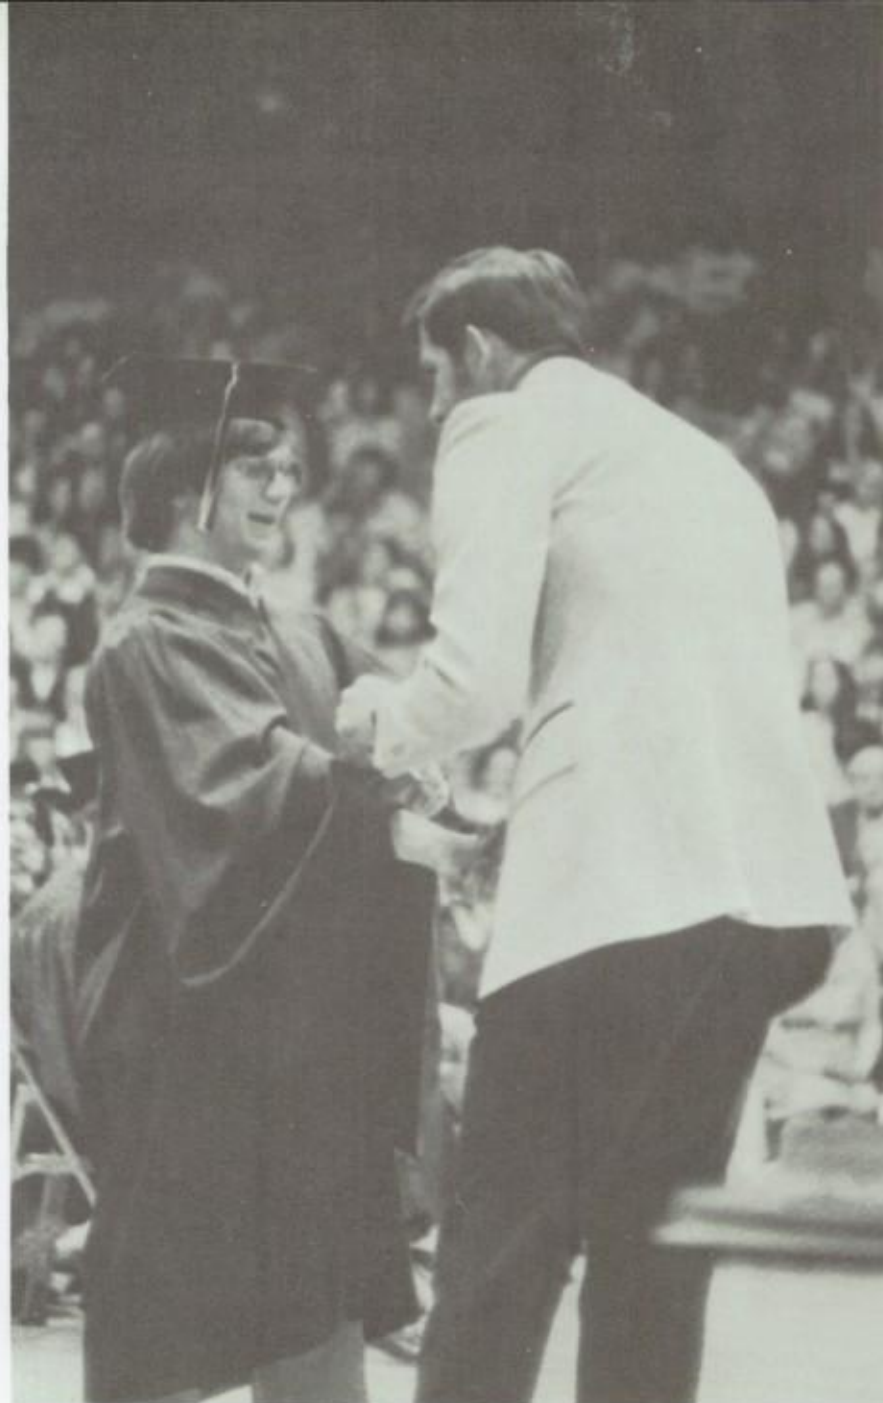

Held at the Elk's Lodge, the senior party presented by the parents was designed around the theme "Murder on the Orient Express." Games, prizes, dancing, and a general good time were punctuated with a hay ride and early morning breakfast. The Class of '75 will be remembered.

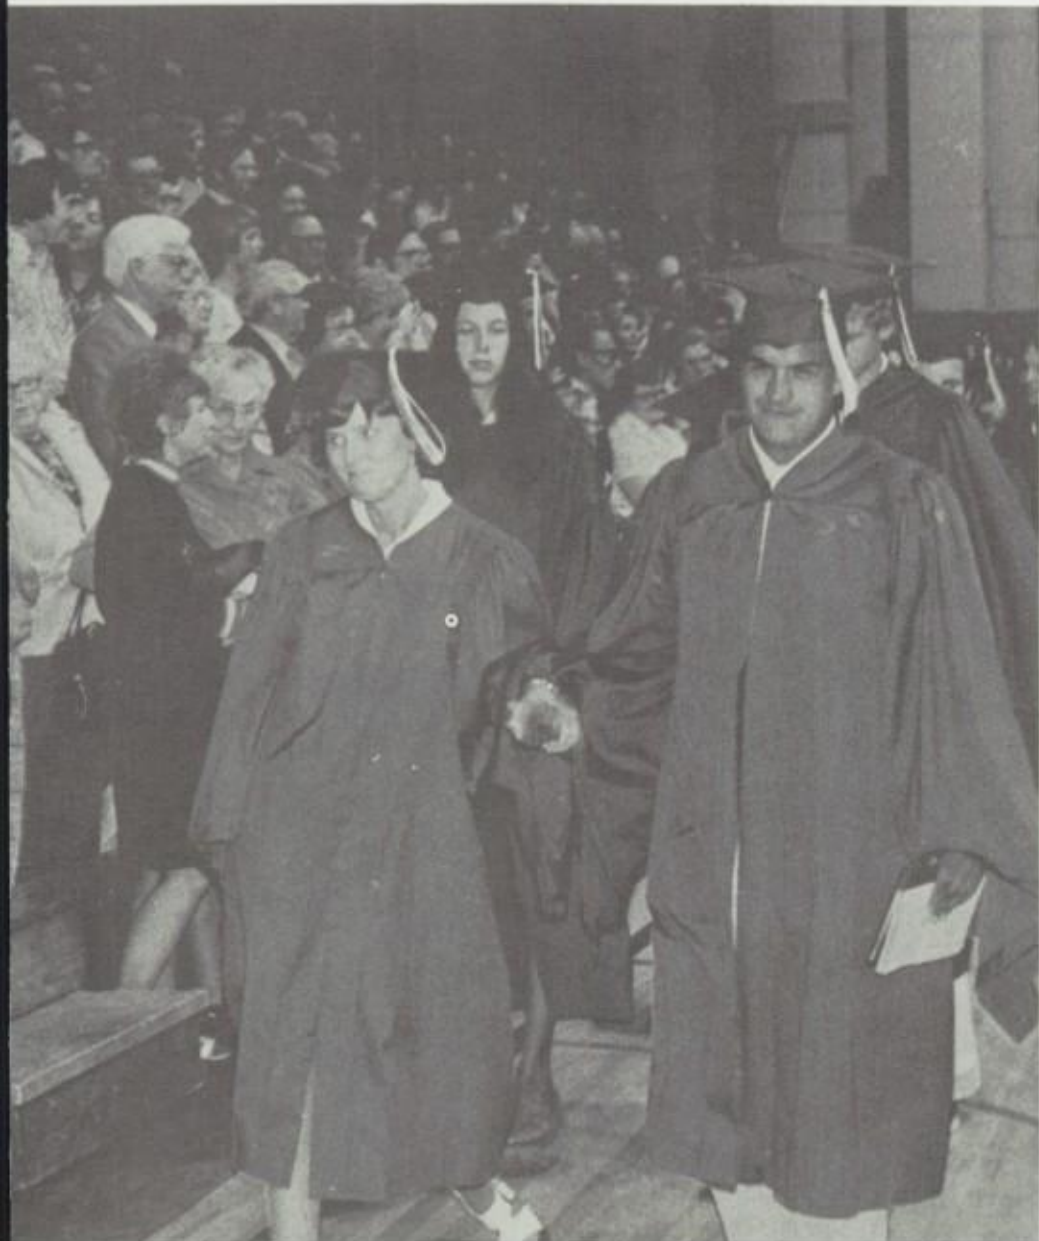

Karl Fitterer salutes the Class of '75. The Senior Barbeque was a big success.

WHERE WERE YOU IN '62?

"Where Were You in '62?", taken from hit movie "American Graffiti" was the Amla Retam theme for this year. During the week-long celebration the usual skits and contest revolving around the theme were featured.

Highlights included a faculty basketball game and a "Beach Boys" Band. On Saturday, Queen Marsha Gregory and her court were crowned at half-time ceremonies. The basketball team honored two long-time fans; Bob Bettas and his mother Mrs. Christine Bettas.

ASSEMBLIES THIS YEAR WERE REAL 'COOL'!

Principal Al Moss was nominated for the "Good Sport of the Year" award as he weathered the annual Halloween pep assembly preceding the Grandview game. As he ascended the step ladder symbolizing the fall of the Greyhounds the crowd cheered with each upward movement. At the top of the ladder he was greeted with a cream-filled pumpkin over the top of his head. It was probably one of the most enjoyed assemblies in recent history.

THE SPIRIT OF "75"

DRAMA

EHS Drama Department members were very active this year. They put on "Harvey" for the fall play and were rewarded with sell-out crowds. In February "Plaza Suite" by Neil Simon was presented, a student-directed effort consisting of three separate scenes all taking place in the Plaza Hotel. During April "A Thurber Carnival" by James Thurber was performed, with a special performance included for choir members and their Canadian Choir guests. "Chamber Music" was the final production of the year presented during the Arts Festival in May.

TOP CENTER: Kathy Silva, Brent Bankson, Elaine Waddle and Jeff Condit perform in "Thurber Carnival".

TOP RIGHT: Doug Albertson and Teresa Wippel enjoy a scene from "Plaza Suite."

VARSITY FOOTBALL

A third place finish in the league wasn't quite state champion, but it was still a good year for Bulldog football fortunes.

The Bulldog gridders suffered a big setback in the loss of senior quarterback Eric Beardsley during the first game of the season. They gained hope for future success by winning several games under the leadership of sophomore quarterbacks Kevin Smith and Matt Holmstrom.

At the conclusion of a very fine 6-3 season seniors Kevin Berry, Brian Maine and Scott Greenwood were selected for first team all-Mid Valley honors. Greenwood was also tabbed for All-State laurels.

This year's basketball team had to be the surprise team of the league. Returning only two starting lettermen from last year, they were picked to finish at the bottom in pre-season forecasts. They went above and beyond what was predicted to a third place league finish.

Although it was a somewhat late jelling team, the Bulldog cagers found the right combination in the middle of the season to come on and win nine straight and 11 of their last 13 ball games. This was good enough for a solid third place finish with a 13-7 record.

Highlights of this fine regular season included an exciting overtime win against Hanford, two victories over Wapato and one over league champion Sunnyside in their gym.

The Bulldogs then traveled to district where they went all the way to the finals against Sunnyside. The season ended for the Ellensburg five the next night as Wapato gained the number two spot into regionals with a one point victory over our cage squad.

Senior Scott Greenwood, a three year player and Jim Hanson, a junior transfer, bolstered the Bulldogs down the middle and were second team All-Valley picks. Senior Bryan Pratt's fine shooting and ball handling abilities earned him honorable mention status.

GIRL'S BASKETBALL

This year's girl's basketball team continued its way to a 15-1 season.

Three year starters Paula Thompson and Kathy Kelleher led the girls to a 15 game winning streak and an undefeated regular season good enough for the league crown.

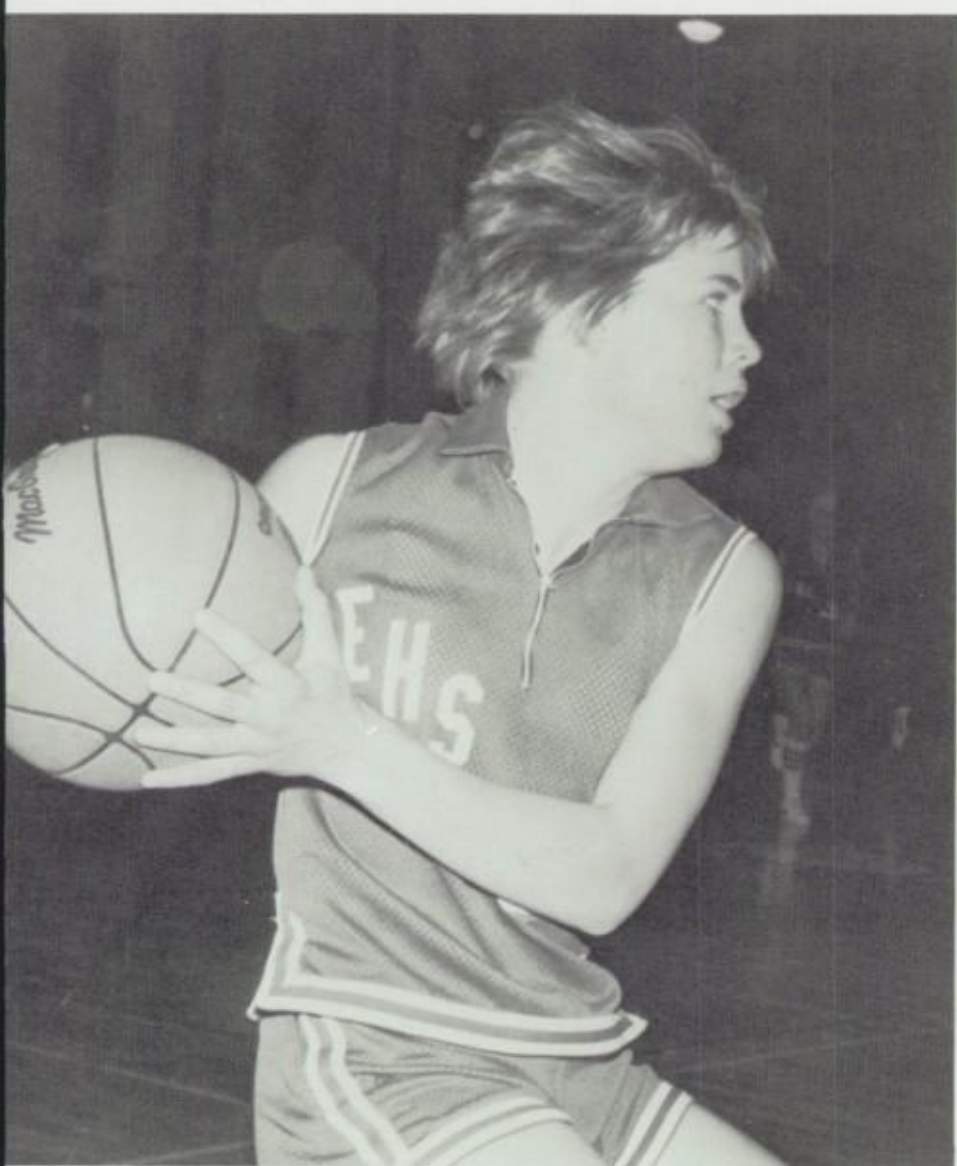

It was then on to district as this year marked the first girl's state playoff system. They tallied two more impressive wins in district competition before falling to eventual state runner-up Walla Walla 47-51.

WRESTLING

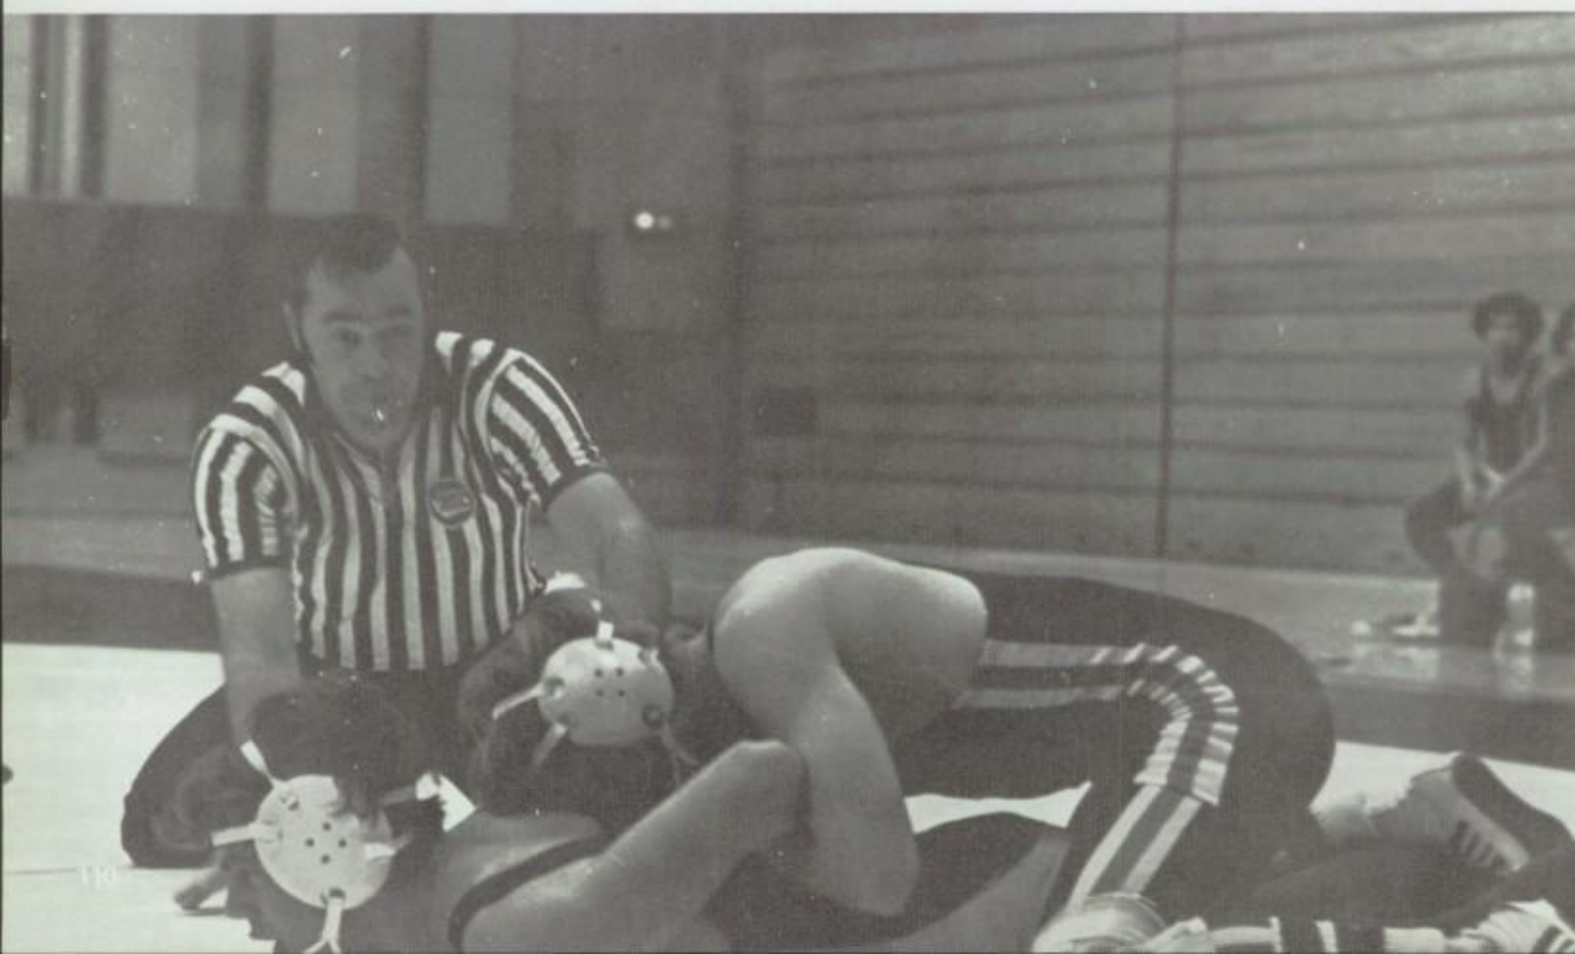

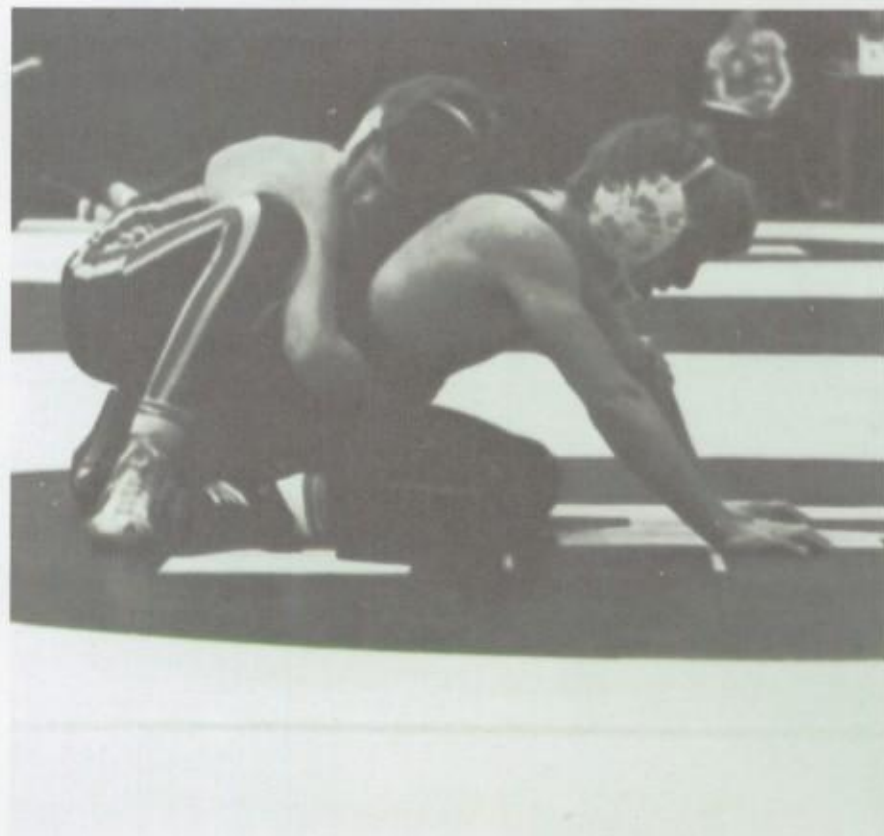

Although it was not the first place Coach Werkhoven wanted, Ellensburg became the first wrestling team to beat Sunnyside and not win the league crown. However, they did finish in third place and proved that wrestling is still a growing winter sport at EHS.

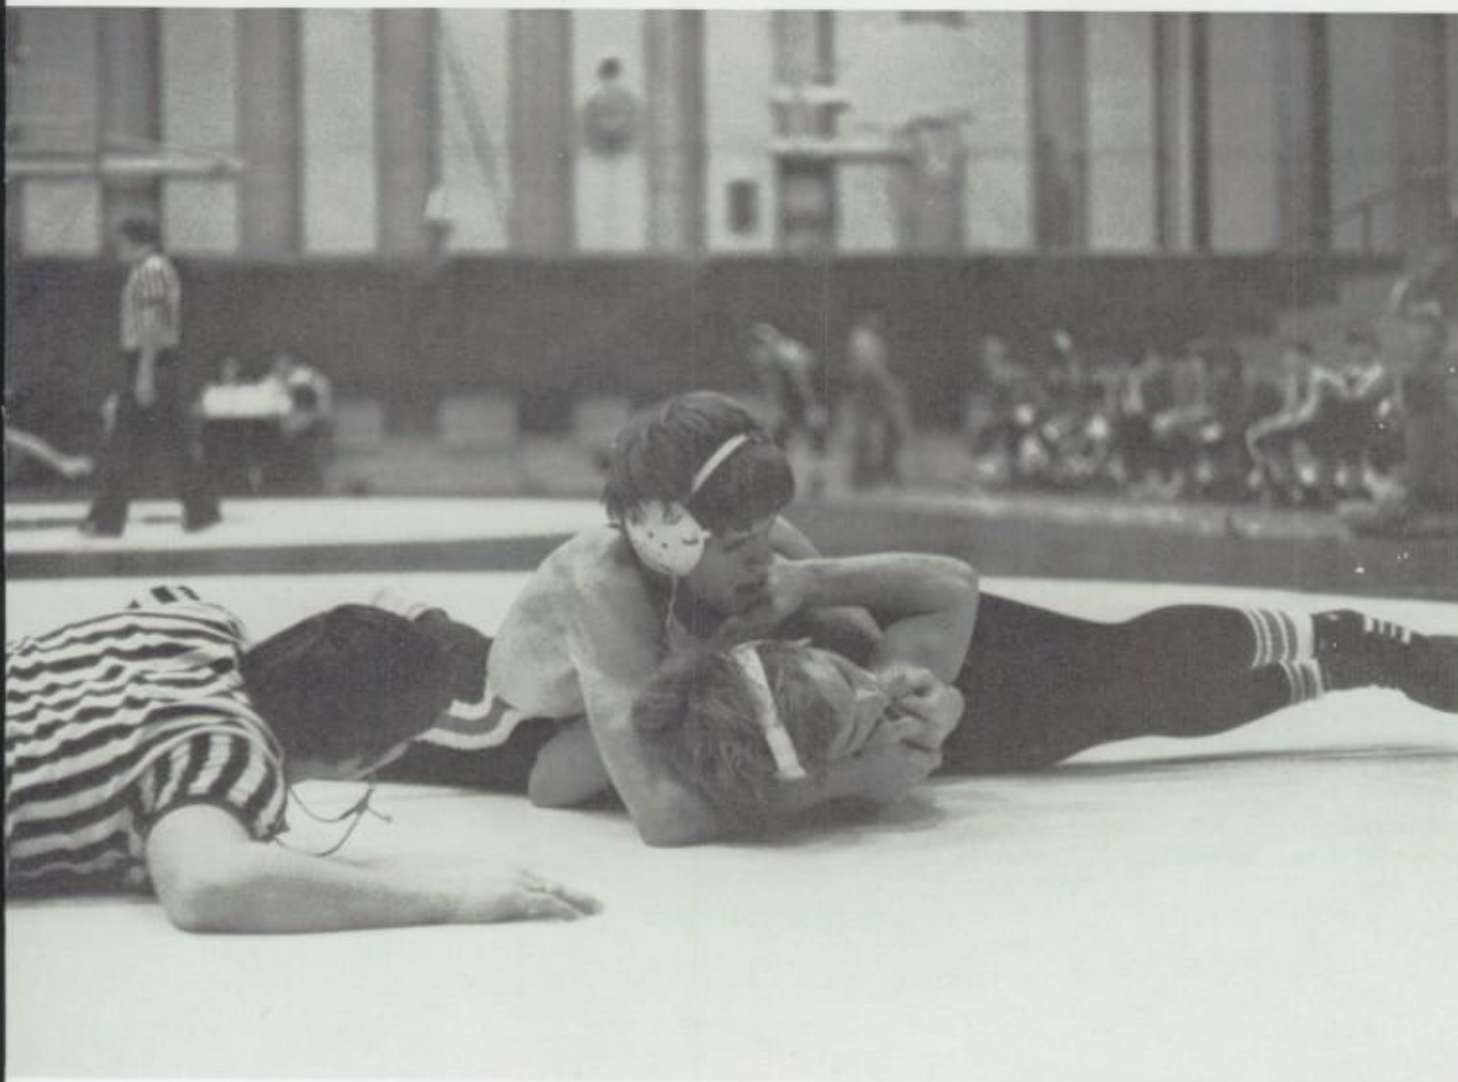

The Bulldog wrestlers used a lot of underclassmen this year and will no doubt be a force to reckon with in the future as they compiled a 12-3-1 regular season record. They also finished in fourth place at district.

Junior Josh Nelson (unl.), and freshman Luke Draper (158) along with senior state returnee Ken Guy (135) all went to state competition. Nelson finished third, Guy finished fourth and Draper knocked off the number one seed before bowing in the early going.

BASEBALL

Although they suffered many hardships throughout the season, the baseball team finished third in the league with a fine 12-4 record.

Going into the last two weeks of the season it was still undecided which teams would represent the Mid-Valley League at regionals. Hanford had already won one of the places. Our sluggers had to sit on the sidelines and watch Wapato, who won a double-header against West Valley, gain a spot at regionals.

With only four seniors on the team Coach Sigler should have a very experienced team back next year.

The track team started out with a hopeful attitude and expecting stiff competition throughout the league. Their first defeat came to the hands of the Wapato Wolves three weeks after the season began. Two other losses were suffered later on to Hnaford and a very close decision to a powerful Toppenish team.

Only three athletes qualified for the state meet. They were Tom Gorrie in the 880, Peter Vernie (FAR LEFT) in the two-mile, and Alan Jakubek in the javelin. Vernie was the only placer in the trio with a fine second place finish and a new school record.

The girls took third place at District and sent seven girls to the state meet at Goldendale. The 440 relay team of Donna Trembley, Jan Miller, Sherrie Eaton, and Rhonda Brooks took second place. Also placing was Sue Evans. Sue placed fifth in the 440 yard dash. Two other girls who competed were Carol Stowell in the shot put and Anne Pelissier in the high jump.

The EHS Cross Country team had a successful season finishing fourth in League and fourth in District. Two members from this year's team went to the State meet to represent EHS. They were James Fadenrecht and Pete Vernie.

This year's team was made up of mainly underclassmen with only two Seniors on the squad.

Overall it was a very successful season.

GOLFERS TAKE 3RD AT STATE

Our highly-talented golf team returned strong as ever this year ready to put the backspin on every opposing team. They got off to a start in the rough, hooking and slicing their way to a third place finish in league.

The top five golfers consisted of seniors, Kevin Berfstrom, Ron Cruse and Brian Maine, juniors, Mike Hammermister, and Dave Powell, coached by the fundamentally sound Frank Crimp.

The team was in high spirits after driving to a first in district. But to their dismay the deep rough and steep hills allowed the five plus one Perfectionists to take a third place finish at state.
